

ARMY PUBLIC SCHOOL, UMROI MIL STATION

HYDROPONIC LAB

Army Public School, Umroi Military Station has become the **first school** in the entire state of Meghalaya to set up Hydroponic Lab. Hydroponic is the science of cultivating plants in a nutrient-rich solution. The Hydroponic lab was inaugurated by Chairman of Army Public School, Umroi Military Station, Brig T S Hothi Commander, 24 Mtn Bde and Mrs Geena Hothi Chairperson FWO, 24 Mtn Bde on 04 May 2022.

The Lab was set up to enhance Life-Skill among children keeping in view the technological advancement taking place in all areas, including agriculture. Hydroponic Lab was set up with the assistance of Hydroponic Expert, Rudy K Kharmawphlang, founder of Saw Aiom Fresh – Meghalaya's First Aqua and Hydroponic.
