

ARMY PUBLIC SCHOOL, UMROI MIL STATION

IN HOUSE TRAINING

An In House Training service is conducted by the school on a regular basis. The objective and motive of the In House Training is to grasp and to create awareness among the staff both teaching and non-teaching. Well known Resource persons are invited to trained and educate the staff on different levels and categories of education. In House Training brings the importance and required knowledge to attain certain and required skills that are useful for the teachers to implement and give the children on what they need to learn on a regular basis. In house training brings out the best in our staff from group discussions.
